The emissions of other air pollutants from the proposed project will be regulated and limited by the Department.

The application and proposed permit may be reviewed between 8:00 AM and 4:30 PM during normal business days by contacting the Custodian of Records at 602-506-6201 or at the Department's address listed above. Arrangements may be made through our office to view the information at the following Department locations:

Main office: 1001 N. Central, Ste. 400 Phoenix

There is a small fee for copying.

Additional information on the proposed permit may be obtained by contacting Ms. Diana Gonzalez at 1001 N. Central, Suite 400, Phoenix, AZ 85004 or by phone at 602-506-6094.

A public hearing is scheduled for July 22, 2008 and a Notice of Public Hearing has been concurrently issued.

In accordance with §49-426 and §49-480 of the Arizona Revised Statutes (ARS), any person may submit to the Permitting Division Manager at 1001 N. Central, Suite 400, Phoenix, AZ 85004, written comments on the proposed permit within 30 days after the first date of publication. An extension of the 30-day comment period may be granted if the request for an extension adequately explains why more time is required to prepare comments. Any written comment shall state the name and mailing address of the person, shall be signed by the person, his agent, or his attorney and shall clearly set forth reasons why the permit should or should not be issued. Grounds for comment are limited to whether the proposed permit meets the criteria for issuance as prescribed in ARS §49-426, §49-480, or §49-481.

Public comment begins:	June 18, 2008
Public comment period ends:	July 18, 2008

The final decision will become effective 30 days from the date of issuance unless:

1. A later effective date is specified in the decision; or
2. The decision is appealed to the Environmental Appeals Board pursuant to 40 CFR 124.19 (any person who submits written comments on the proposed permit or who participates in the Public Hearing may petition the Environmental Appeals Board to review any part of the permit decision within 30 days after the decision has been issued. Any person who failed to file comments and failed to participate in the public hearing on the proposed permit may petition for review by the Environmental Appeals Board only those parts of the final permit decision which are different than the proposed permit); or
3. There are no comments requesting a change to the proposed permit, in which case the final decision shall become effective immediately upon issuance.

If the proposed permit becomes final, and there is no appeal, construction of the project may commence, subject to the conditions of the permit and other applicable permit and legal requirements.
